Edition: 2026–27 academic year. Effective from 1 September 2026. This edition replaces all earlier editions.

1. Enrolment

1.1 Course registration

Students register for courses through the Student Portal during the registration period announced by the Registry. A student may register for a maximum of 18 credits per semester unless approved by the Programme Leader.

1.2 Withdrawing from a course

Students may withdraw from a course without academic penalty within 21 days of the first day of teaching. After this period, a grade of W (Withdrawn) is recorded on the transcript. Tuition fees for a withdrawn course are not refunded after the withdrawal period.

Exception: postgraduate research students must also obtain written approval from their supervisor before withdrawing.

2. Fees

2.1 Tuition fees

Annual tuition fees for full-time students are listed below.

Programme	Mode	Fee per year (HKD)
BSc Computer Science	Full-time	92,000
MSc Data Science	Full-time	120,000
Certificate in Python	Part-time	6,500

2.2 Payment deadlines

Tuition fees for the first semester are due by 30 September. Fees for the second semester are due by 31 January. A late payment charge of HKD 500 applies to fees paid after the deadline.

3. Assessment

3.1 Late submission

Coursework submitted after the deadline receives a penalty of 20% of the available marks for each calendar day late, for up to 5 days. Work submitted more than 5 days late receives a mark of zero.

3.2 Extensions

Students who cannot meet a deadline because of illness or other serious circumstances may request an extension. Requests must be made before the deadline and include supporting evidence, such as a medical certificate.

3.3 Academic integrity

All submitted work must be the student's own. Copying, unauthorised collaboration and the undeclared use of generative AI tools are treated as academic misconduct and may lead to a mark of zero for the assessment.
